Dear Local Business:

The Mentor Firefighters Historical Association is holding its 13th annual charity golf outing on Friday, July 27th, 2018. This event will be held at Black Brook Golf Course and will benefit the advancement of Mentor Safety Village, which is maintained and operated by the Mentor Firefighters Historical Association, a non-profit organization (501c3). The proceeds from this event help pay our yearly operating expenses, such as million dollar liability insurance on all of our vehicles and property that children visit, cost of busing Mentor Public Schools third graders to our Mentor Safety Village, and building and expanding displays. We are writing to ask for your support in our mission to teach children life safety practices by considering one of the following sponsorship opportunities at our 13th annual charity golf outing.
